PROJECT DESCRIPTION

Sarangkheda and Bichhalas schools of Rajasthan are rural schools. The children enrolled with the school come from families of poor farmers, farm laborers and workers. Most of the children are the first generation in the family to get a formal education. The brief information of these schools are as follows: -

Sri Sri Gnan Mandir Sarangkheda School

Inception Year	2011
Classes Running	Nursery to 8 th
Type of school:	Rural
Number of students	435
Girls	226
Boys	209

This school had 5 toilets out of which 2 used to be open toilets. The condition and hygiene of the toilets were not proper. Along with this proper drinking water facility was needed in the school.

Sri Sri Gnan Mandir Bichhalas School

Inception Year	2018
Classes Running	Nursery to 8 th
Type of school:	Rural
Number of students	430
Girls	224
Boys	206

This school had no toilet facilities at all and for drinking water there was one water tank which was connected with the tap without any water purifier.

THANK YOU NOTE

Now, the students will have access to clean water and toilets. They will also learn about basic hygiene practices. We truly appreciate generous and kind donation from Sri Kripa Stones & Granites Pvt. Ltd, we are able to provide such facilities in our schools which will improve students water, sanitation and hygiene practices with life changing results. Looking forward to your continued support to The Art Of Living Free Schools.
