1. Project Background

The novel human coronavirus disease COVID-19 has become one of the greatest challenges faced worldwide. WHO declared COVID-19, a pandemic on March 11, 2020, and called for governments to take 'urgent and aggressive action' to change the course of the outbreak.

The first case of the 2019–20 coronavirus pandemic in India was reported on 30 January 2020, originating from China. On 22 March 2020, India observed a 14-hour voluntary public curfew at the insistence of the Prime Minister Narendra Modi. The government followed it up with nationwide lockdown for 21 days, limiting movement of the entire 1.3 billion population of India as a preventive measure against the COVID-19 pandemic in India. This unprecedented nation-wide lockdown mandating closure of commercial, private and industrial establishments (with limited exceptions) has been extended from time to time since then.

The sudden and prolonged lockdown had a devastating impact on the poor and socio-economically backward population of India including its financial capital Mumbai. The City already has its own challenges and the Covid-19 added few more, more than half of its population lives in slums, or areas of extreme poverty that lack basic facilities. With an estimated 6.5 million people residing in these conditions, Mumbai has the largest slum population of any city in the world. The livelihood of the Slum population is solely dependent on daily wages, small shops etc. Since these income sources give very small returns and are impermanent in nature, during the lockdown a lot of them had finished with grocery, required food items and had no money to buy the same.

These informal workers are the backbone of the big city economy, constructing houses, cooking food, serving in eateries, delivering takeaways, cutting hair in salons, making automobiles, plumbing toilets and delivering newspapers, among other things. Escaping poverty in their villages, most of them live in squalid housing in congested urban ghettos while depending on daily earnings to meet their basic needs.

While taking the measures to contain the spread of COVID-19 Virus and provide essential healthcare to those in need, it is also essential to support the poor and needy who depend on daily wage earning and have no means to support themselves by providing essential food supplies and other daily items of need to survive through this lockdown.

2. Project Description

COVID-19 positive cases in India continue to rise on a daily basis with Maharashtra being the worst affected state in the country. In Maharashtra, Mumbai, Thane and Pune are the worst affected districts. The IAHV Team has been leading many relief initiatives in these areas in close cooperation with the local Government and other CSR partners.

While the State machinery is working day and night to manage the situation, it has also appealed to public, private and civil organizations to offer a helping hand in this fight against COVID-19 pandemic.

Understanding the plight of affected families due to unprecedented lockdown in the wake of the COVID-19 Pandemic, IAHV team stepped forward to support them and their families by providing with essential food supplies through funding by Stone Experts and DEG.

3. Project Implementation

Based on the observations and information received from the local leaders, the beneficiaries were chosen for the kit distribution from 22 Wards of Brihanmumbai Municipal Corporation (BMC). The initiative was conducted from 28th July to 10th September 2020.

Methodology:

- IAHV Volunteers visited every home in the selected locations of the slum area.
- Volunteers selected a central location to distribute the kits and inform all the selected needy people to collect their kits on a scheduled date.
- Volunteers took the signatures and required data of the beneficiary and handed over the kits and recorded the data in the mobile application.
- Data was updated daily to IAHV central team for reporting and further coordination.
- The volunteers strictly adhered to the social distancing guidelines and wore gloves and masks while distributing these kits. The gathering was kept small at all the places to follow guidelines issued by WHO to prevent spread COVID-19 virus.

Remarks:

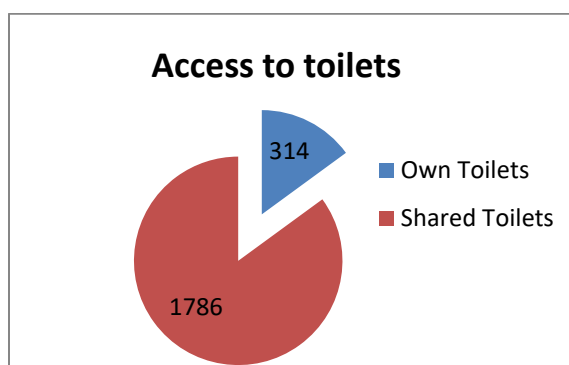

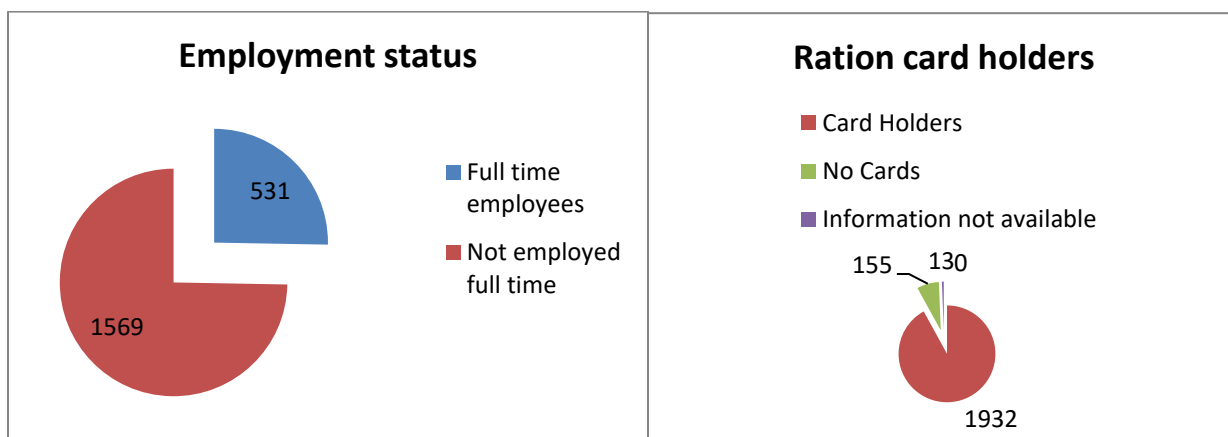

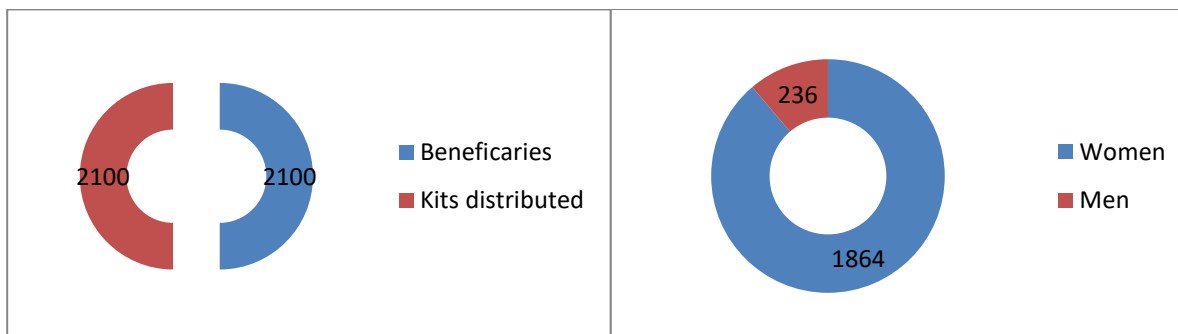

- **2100 (Twenty-One Hundred) Dry Ration Kits** were distributed to the needy families with the help of 25 IAHV volunteers in 22 wards of BMC.
- **BMC Wards covered** were PN,PS,RS,T,S,N,A,B,C,D,E,FN,GN,GS,HE,KE,KW,L,ME,MW,RC,RN of BMC, Mumbai
- **Areas covered** were Fort, Ballard Estate, Mello Road, Marine Drive, Colaba, Abdul Rehman Street, Grant Road, Walkeshwar Road, Arthur Road, Tardeo Road, Cumballa, Malabar Hills, Byculla, parts of Reay Road, Matunga, Dadar, worli, Bandra, Khar, Santacruz, Vile parle,Jogeshwari, Andheri East, Andheri west, oshiwara, Kurla, chandivali,sakinaka,chembur, govandi,mahul, suman nagar, Gorai, Borivali East, Charkop, Dahisar, Mulund. Ghatkopar and Bhandup.

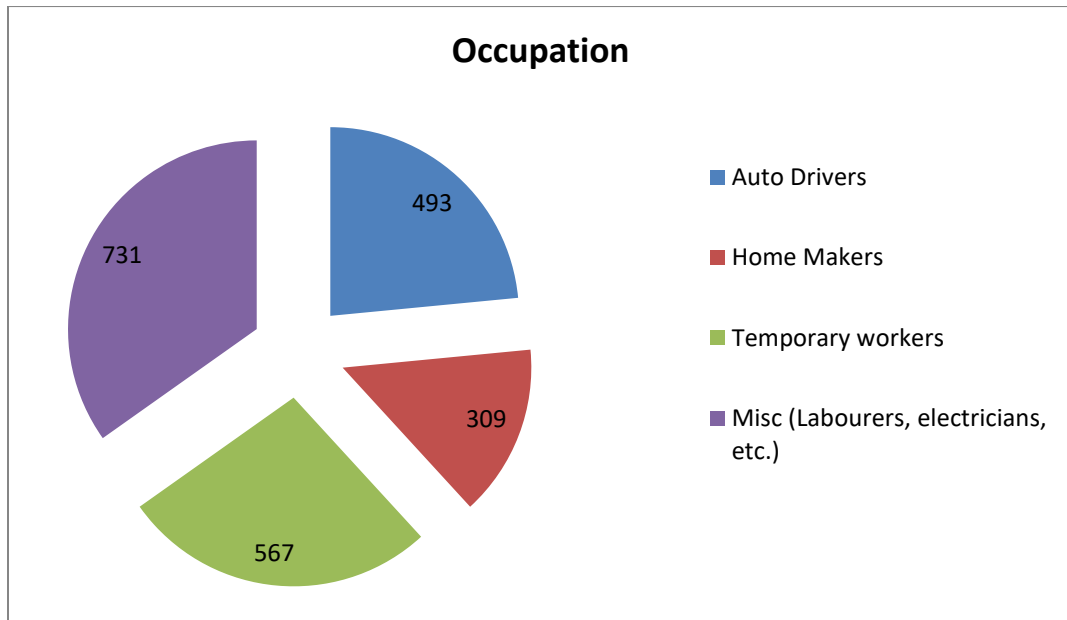

Each Dry Ration Kit contains the following needed contents:

Contents (One Ration Kit)	Rice	5 Kg
	Wheat Flour	10 Kg
	Pulses	5 Kg
	Oil	2 Litres
	Turmeric Powder	200 gm
	Red Chilli Powder	200 gm
	Garam Masala	200 gm
	Cumin Seeds	200 gm
	Mustard Seeds	200 gm
	Salt	200 gm
	Sugar	1 Kg
	Tea Powder	500 gm
	Soaps	4
	Sanitary Napkins	2 Packets

4. Analysis

Following is the output of analysis done on the survey details received during the kit distribution:

Distribution of the Dry Ration Kits

Distribution of the Dry Ration Kits

5. Testimonials

	“I have been providing required support to the volunteers since the kit distribution work has started. Volunteers did their best to reach out to maximum needy people to distribute the ration kits. At a few places the distribution process took little more time due to practical reasons, but the volunteers dealt it with patience and ensured that the purpose was being served”. Trupti Vhatkar, Age-34, Dharavi Area (Mumbai) Administrator, Support Team for IAHV Volunteers
	“Felt satisfaction when people shared that they were waiting for someone to give them something to prepare meals, on the other side it was a challenge to visit different parts of wards, survey and distribute kits due to increasing numbers of Covid-19 patients in the area. But we did it as service since the need was evident”. Abhishek Guravnor, Age-25, Ghatkopar (Mumbai) IAHV Volunteer, Engineering Student
	“Due to lockdown we have no way to earn for our living. Since last month there was not enough grossery at home, I was worried since we have a joint family. Hence the Ration Kit was much needed. Very thankful for this help. The quality of grossery is really good”. Beneficiary : Suvarna Ganorkar, Home-maker, Age-38 Ramai Chal Bhandup, S Ward

6. About IAHV

The International Association for Human Values (IAHV) was founded to foster a deeper understanding of the values that unite us as a global community. Spread over 156 countries, IAHV focuses on empowering people and communities with inclusive and sustainable development interventions, fostering universal human values and resilience. IAHV's initiatives span 11 out of 17 UN Sustainable Development Goals.

IAHV currently partners with over 60 national and international organizations to design and implement social and development initiatives.

More information about IAHV can be found at <https://www.iahv.org/in-en/>

Corona Relief Initiatives from IAHV India

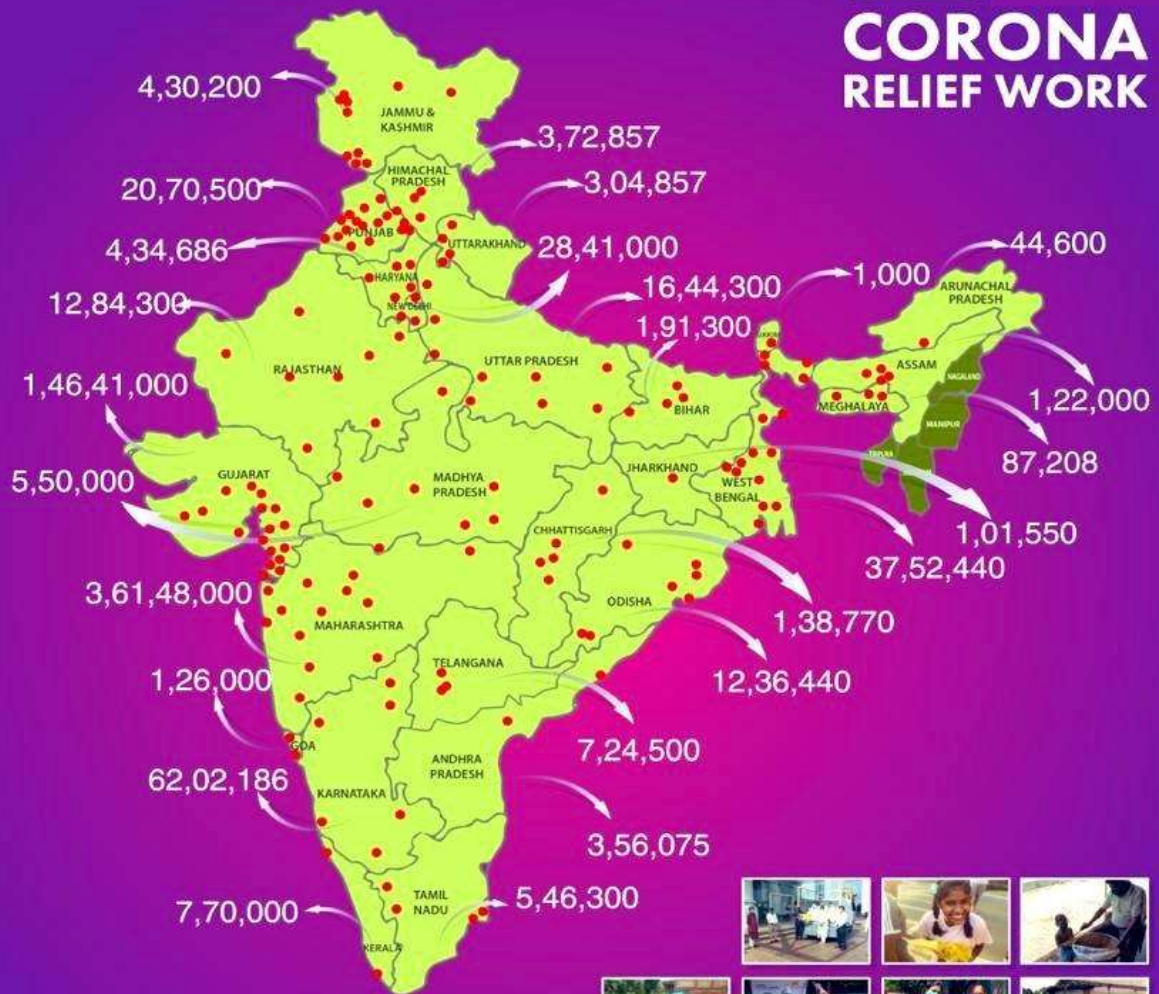

The International Association for Human Values (IAHV) has created a holistic strategy to mitigate the impact of the Coronavirus pandemic.

- a) To help migrant labourers and daily wage earners, IAHV is distributing ration kits and meals. As of 25th May 2020, **over 80 Million kits/meals have already been distributed across India covering every state**. These ration kits are distributed to the beneficiaries by IAHV volunteers working together with the Government machinery.
- b) In addition, IAHV is working to help the heroes who are on the frontline of this battle against the virus. Government Hospitals are woefully short of items like Personal Protection Equipment (PPEs), masks, gloves and essential safety items that increase the risk for the frontline staff. **IAHV has thus far provided safety gear and medical equipment worth more than Rs. 40 Cr in Maharashtra, Delhi, Karnataka and Gujarat.**

IAHV's ration distribution footprint across India is shown on the next page:

CORONA RELIEF WORK

Relief material provided
#iStandWithHumanity
#FromU2Them

7,51,22,069
Total number of meals provided to over
25 LAKH families as on 13th May, 2020

IAHV's Corona Relief Work Footprint across India

Medical Relief Work-Pune
and Mumbai

9,000 cloth masks

donated to Thane Municipal Corporation

300 infrared thermometers,

150 Pulse Oxymeters
